

Mike Stickney Softball Resume

Started playing fast-pitch softball in 1983 for Empire Lanes and ended my career in 1999 with Central Iowa Express. During those years played for Creative Software, Briles, Iowans, Collins, Bosch Rausch, JSK, and Mahoney's.

Played in five (5) ISC World Tournaments and Two (2) ASA National Tournaments, finished twice in the top 10 for the ISC World Tournament and finished 3rd in 1986 in the ASA National Tournament.

Was voted ASA State MVP five (5) times, ASA Regional MVP two (2) times and voted ISC State MVP three (3) times. Had a lifetime batting average of .385

Biggest thrill while playing softball was a game I participated in the 1996 ISC World Tournament in Kimberly, WI. While playing for Mahoney's we played a 21 inning game against a club from British Columbia, the game was back and forth with teams scoring and tying each other up numerous times. The game started at 12:00 pm and did not finish until after 6:00 pm resulting in putting that days schedule 4 hours behind. Towards the end of the game and because of the length of the game there was close to 5,000 to 7,000 spectators watching. Although we lost in the bottom of the 21st inning it was and where eliminated from the tournament it was one of my biggest excitements while playing softball.

I also enjoyed the all the players and families I met over the years and the fun and great times we shared together. Those memories will always remain.

Wife Melissa, sons Mitchell and Mason

Mike is employed by D.C. Taylor Co. 29-years Vice President Accounts Manager
