Biggest thrills in softball career:

1. Playing with great teams and wonderful people (now lifelong friends) in both Cedar Rapids and Aurora
2. Leading Major Open in hitting
3. Catching Dick Brubaker's last perfect game in the ISC tournament in Allentown, PA in 1984.
4. Playing in national championship game in Springfield, MO, with Home Savings in 1984
5. Being on a Modern Piping team that finished 5th in ASA nationals in 1982 and hitting .454 in 7 games
6. Many other thrills, too numerous to mention.

Thank you for this hall of fame consideration. I was just a guy who loved to play the game and who enjoyed every minute of the experience, friendships and the games.
