1983 tied the record for the most hits ever at ASA National Tournament.
Selected to play for the USA Men's Team 6 years.
1988 USA Championship team at the prestigious ISF World Tourney

Steve had the privilege of playing for the best teams in the country most of his career. Some of the most enjoyable and memorable games and teams were the Waverly and Bremer teams. Steve recalled qualifying for the substate with the Waverly team and it was really something special at the time.

Playing ball was very good to Steve. It got him through college, allowed him to make many friends around the world. Without playing fastpitch softball it would not allowed Steve to meet his wife Tina so to say it was an important part of his life would be an understatement.
